

# EQUIP YOUR CHURCH TO DO MORE

The future of the pro-life movement is one of multi-faceted support – for child, mother, and father – and extends beyond the initial pregnancy decision. Pro-life is not simply “anti-abortion.” Pro-life work envelops and witnesses to the belief that all human life is created equal, regardless of size, legal development, education, and degree of dependency. Consequently, by this definition, taking a life of a pre-born baby is a violation of the fundamental right to life. Knowing this, Life Care Pregnancy Center strives to integrate Christian discipleship into every aspect of our ministry.

Consider these resources which exist to help your church boldly serve families & support LIFE!

*"I have come that they may have life, and that they may have it more abundantly." ~ John 10:10*

*"Abortion is an assault on the sanctity of life and the sanctity of marriage and the family as God designed. But, it is also a unique opportunity to make disciples for Jesus Christ."*

*~ Roland Warren, President & CEO, Care-Net*

Life Care Pregnancy Center provides Christian direction to individuals and families facing a pregnancy decision. As such, our goal is to ensure women, men, and families continue to receive ongoing Christian discipleship, fellowship, and personal support beyond their participation in our program.

The church is perfectly situated to do this, but we need a strong network of local churches that are equipped for this task. If your church chooses to participate in any of these pro-life initiatives, or offers other means of compassion ministry or support for those facing pregnancy decisions, please let us know!
