## Did You Know?

January is Sanctity of Human Life Month and this year Sanctity of Human Life Sunday is held on January 19th. This is a day set aside every year to focus on the value of every human life since President Reagan proclaimed it in 1984.

According to the [Charlotte Lozier Institute](#), there are over 2,700 pro-life pregnancy resource centers (PRCs) in all 50 states (Planned Parenthood has approximately 585 facilities in only 48 states). Life Care is honored to be a part of this incredible network of life-saving centers.

- [76%](#) of women considering an abortion choose life when they see an ultrasound.
- PRCs helped women choose life for their babies and save [over 800,000 lives](#) from 2016-2020.

- [6,000+ lives have been saved](#) since 2012 due to the Abortion Pill Rescue® Network (APRN).
- There are approximately [54,000 active volunteers](#) at PRCs, including licensed medical professional staff and volunteers.
- In [2019](#), PRCs served roughly two million men and women, provided services and support valued at nearly \$270 million at little to no cost to clients, and offered medical care and referrals, education, mentoring, and material support, including diapers, car seats, and clothing!

Thank YOU for being a part of this amazing team of centers that partner with women to help them find hope, love, and the support they need along their journey of LIFE!
